- Letter says that the sender's mother will not allow him to sell coins

Letter only.

Mr Chapman

My mother refused  
to let me sell the stamps and  
I left the \$10.00 here with the  
girl, and I wish you would  
send me the stamps as soon  
as possible. I when I see  
you next time, will pay you  
the Express. Please write  
and let me know when  
you can send them to me.

Yours Esteem

Dear Sir,

I received your letter last night I will get my mother to answer as soon as possible. I have all the stamps I sold you marked in Scott's catalogue. You said you wouldn't open the book until you got an answer from my mother and therefore it caused you work by not keeping to what you said. As for saying I fixed the price at \$10. is a mistake as I wanted \$25. and you said it wasn't worth it. As soon as I see my mother I will get her to answer.

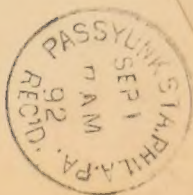

Very Respectfully  
J. H. Bnd.
